

Chi-Toni Mineral Formula NPN 80086069

946 mL, Chinese Mineral Chi Tonic Liquid Supplement, Stock No. 1818

East meets West in this exclusive Nature's Sunshine liquid formula combining electrolytes and mineral-rich water from an inland sea with time-honoured Chinese tonic herbs.

Did you know?

According to traditional Chinese medicine (TCM), the human body is a vast electrical energy system consisting of 12 two-sided meridians (energy channels) with more than 800 switches or acupuncture points. Chinese medicine teaches that when the energy meridians are in balance, the body will heal itself. Tonic herbs balance the meridians as well as nourish the adrenal glands, major managers of energy powering the "electric" human body.

Minerals, particularly those known as the electrolytes (potassium, magnesium, calcium, and sodium), with their positive and negative electrical charges, are responsible for every electrochemical reaction in the body, from muscle contractions to the firing of neurotransmitters in the brain.

NSP Advantage

946 mL. Exclusive liquid formula of electrolytes and trace minerals in a Chinese tonic herb formula.

Ingredients: Medicinal Ingredients: Potassium (potassium chloride) 180 mg, chloride (potassium chloride) 160 mg, barbary wolfberry (*Lycium barbarum*, fruit) extract dry (10:1) standardized to 10% polysaccharides 133.97 mg, concentrated desalinated inland sea water 31.74 mg, jiao gu lan (*Gynostemma pentaphyllum*, herb top and rhizome) extract dry (12:1) 15.87 mg, reishi (*Ganoderma*

lucidum, mycelium) 15.87 mg, fructus schisandrae chinensis (*Schisandra chinensis*, fruit) extract (10:1) 15.87 mg, eleuthero (*Eleutherococcus senticosus*, root and rhizome) extract (15:1) 15.87 mg, astragalus (*Astragalus membranaceus*, root) extract (12:1) 15.87 mg, ginger (*Zingiber officinale*, rhizome) 15.87 mg, licorice (*Glycyrrhiza glabra*, root) deglycyrrhized extract (8:1) 15.87 mg, ginkgo (*Ginkgo biloba*, leaf) extract (55:1) standardized to 24% flavonoid glycosides and 6% terpene lactones 13.97 mg. Non-medicinal Ingredients: Purified water, *Vitis vinifera* (grape) juice, glycerin, fulvic acid, sodium benzoate, citric acid, potassium hydroxide, apple flavour, cherry flavour.

Recommendation (adults): Take one tablespoon (15 mL) in the morning and one tablespoon in the evening. Take with food/meals. May be mixed with water or juice, to taste. For use beyond one month, consult a healthcare practitioner.

Risk Information: If you are breastfeeding; have any type of acute infection; have an autoimmune disorder; are taking medications for diabetes, high blood pressure, or seizures; are taking prescription medications; have a liver disorder consult a health care practitioner prior to use. If new symptoms develop, discontinue use and consult a health care practitioner. If you have hypokalemia, high blood pressure, or a kidney or cardiovascular disorder; are taking thiazide diuretics, cardiac glycosides, corticosteroids, stimulant laxatives or other medications which may aggravate electrolyte imbalance, do not use. Do not use with other potassium containing supplements or with potassium containing salt substitutes. If you are pregnant, do not use. If you have high blood pressure do not use. Do not use if you are taking health products that affect blood coagulation (e.g. blood thinners, clotting factor replacements, acetylsalicylic acid, ibuprofen, fish oils, vitamin E) as this may increase the risk of spontaneous bleeding. Not to be used following vigorous exercise or acute dehydration (unless administered with an appropriate balance of other mineral salts, e.g. sodium). May cause nausea, vomiting, diarrhea, abdominal cramps; discontinue use and consult a health care practitioner if these symptoms are severe. Hypersensitivity/allergy can occur in which case discontinue use.

Features & Benefits

- Provides 180 mg of potassium per tablespoon (15 mL) to prevent potassium deficiency.
- Source of electrolytes and trace minerals
- Formulated with mineral-rich water from an inland sea and time-honoured Chinese tonic herbs.
